Noted Novelist and Playwright, Cheril N. Clarke Releases New Collection of Lesbian Erotica!

Illusions of Love: Two Erotic Vignettes featuring Kenya (from *Intimate Chaos*), is a steamy collection of lesbian erotica and drama.

NEW JERSEY—Imagine being able to do whatever you want whenever you want. Imagine living by your own rules, never feeling guilty and never apologizing for what you do. Imagine being so charming and smooth you effortlessly move in and out of your lovers' lives and bank accounts, giving them the illusion of love and stability. Can you imagine, being cunning and charismatic yet cold and calculating?

Meet Kenya, Clarke's firecracker character from *Intimate Chaos* and the leading woman in *Illusions of Love*. In addition to feverish passages of lesbian sex and seduction, we get to know Kenya for the chilling individual she really is: an emotional parasite with a stunning lack of conscience and voracious appetite for women.

Set on a luxury cruise ship and off the coast of Oregon, Cheril N. Clarke's bold new work invites readers to revel in its content. The 29-year-old resident of Mt. Laurel, New Jersey, has already written five novels, two plays and one non-fiction ebook. When it comes to publishing, Clarke stands comfortably on the shoulders of the past while embracing the future. Three of her novels, *Intimate Chaos*, *Tainted Destiny*, and *Losing Control*, are available in both paperback as well as ebooks for Amazon's Kindle. These titles can also be read on iPhones, Blackberries and desktops by using Amazon's free Kindle app or Kindle for PC software. "I think people should be able to read how, where and when they want to," Clarke says. "I still go to the library, buy from stores and read on my Kindle or phone. I just love the flexibility of it all and am excited about new ways of reading that align with the pace of my life. I want to provide readers with the same ease and ability to read my work."

Clarke has been a keynote speaker at the African Asian Latina Lesbians United Conference, and has performed at events organized by African American Lesbians United for Social Change. Her editorial work has been published in *About Magazine*, *About.com*, *Out IN Jersey* magazine, and her opinion columns have been featured on the National Black Coalition's web site, among others. She has been featured in *Curve Magazine*, the nation's best selling lesbian magazine, *The Princeton Packet*, *Philadelphia Gay News (PGN)*, *About.com*, *Out IN Jersey*, *EURweb*, *Burlington County Times*, *Phillyburbs.com*, *247gay.com*, *Femmenoinre.net*, *Sistah2Sistah Magazine*, *Clik Magazine* as well as *Crain's New York Business* newspaper, among others. She is one of the most popular writers of fiction that feature, but is not limited to, African-American lesbian characters.

Illusions of Love is now available for \$1.99 in all formats and can be purchased directly from Amazon.com and Smashwords.com, where up to twenty percent of the content can be downloaded for free before purchase.
